5111823 = 5136145 + 5136147: It means that when 5111823 part supplies are over, the 5136145 + 5136147 will be delivered. If during the execution (see step 3), the replacing norms are not shown, it means that the pre-modification part (C 4010) is always delivered as the spare part, as it is not interchangeable with the post-modification one (D 4010).
